About Us

iTrend Solution is a leading e-commerce company that has been providing top-quality products and services to customers around the world since 2016.

Our team is comprised of more than 60 experts in various fields including e-commerce product sales, content writing, graphic design, digital marketing, product sourcing, and supply chain management.

Experience

We have been in the e-commerce and digital marketing industry for five years

Results

We have a track record of success and a proven process for achieving your goals.

VISION

At Itrend, we envision a future where we lead with innovation and creativity, expanding our footprint with multiple brands and pioneering products that redefine industry standards, thereby creating brand value.

MISSION

Our mission at iTrend Solution is simple – to provide our customers with the best possible products and services at the most competitive prices. We believe that everyone deserves to have access to high-quality products and services, and we are committed to delivering that to our customers every day.

GLOBAL REACH AND EXPANSION

Our vision extends globally, leveraging Amazon's international presence to reach customers across key markets. Through strategic localization and market insights, we aim to establish market leadership in regions of strategic importance.

EXPERIENCE. EXECUTION. EXCELLENCE.
